

Acceptable Use Policy

Last updated: 09 September 2025

Prohibited activities

- Unauthorized access, probing, or disruption of the Service or others' data.
- Reverse engineering, circumventing security controls.
- Illegal content or infringement of third-party rights.
- High-risk use (life support, military, nuclear, air traffic, emergency systems).

Suspension

Provider may suspend access to address material violations or protect the Service, with prompt notice where feasible.
